KIIC Workshops are sponsored by New Mexico Mutual!
Thank you New Mexico Mutual for your support of arts entrepreneurs in our community!

The Keshet Ideas and Innovation Community (KIIC) supports and strengthens arts entrepreneurs on their path of sustainability, championing the value of the artist and the arts economy, by equipping creative industry businesses with the tools for success. KIIC creates and shares networks of business resources, convenes industry expertise and provides mentorship to develop the full potential of the New Mexico arts entrepreneur to create jobs in the arts.
