

Training & Fitness

Keshet's dance programming can help your athlete.

Off-season training pays off, year-round!

Does your team need a boost during the off-season? Cross-training for injury prevention or body awareness, choreography strategies? Team building and fun?

Whether customized to your team's needs, or adapted to your individual player's areas for improvement, Keshet Dance offers classes to fill your "to-do" wish list:

- | | |
