

Ages 55+

Now Offering Moving FWD classes!

Keshet's Moving FWD (Fine Wine Dance) brings together individuals **ages 55+** to explore movement and choreography as a community, within an engaging and exciting workshop series.

Learn the building blocks of contemporary dance choreography including space mapping, movement qualities, movement vocabulary, performance elements, and improvisation techniques.

For the littles movers ...ages 2-3 years

Invite your buddies or make new friends and move together with Creative Movement classes. In addition to burning off excess energy for health, dance classes for young children develop body control, co-ordination, balance and spatial awareness. Children also experience a range of both gross motor and fine motor movements.
