Trying to figure out what level is for you?

- **BEGINNER:** Working on basic concepts, perhaps you have: never taken a class before or are looking to go back to basics.
- **BEGINNER/INTERMEDIATE:** You have previous dance training, and have a solid understanding of the basics!

While these recommendations are a good guideline, ultimately we recommend checking in with the instructor teaching each class to make ensure you are taking the right class. For questions, contact Laura@KeshetArts.org
